Dear Ms. Vannelli:

Your IL UCP DBE certification application has been received by the Illinois Department of Transportation (IDOT); however, it is being returned.

Effective September 1, 2003, the Illinois Unified Certification Program (IL UCP) was implemented. The participating agencies for the IL UCP are IDOT, City of Chicago, CTA, Metra and Pace. The purpose of the IL UCP is to provide a "one stop shop" certification process for firms seeking Disadvantaged Business Enterprise (DBE) certification in the State of Illinois. Firms certified with one participant are certified with all IL UCP agencies.

METRA is your host/certifying agency. All correspondence related to your DBE certification should be directed to them.

Should you have any questions, please feel free to contact us at (217) 782-5490.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Clark".
